

## WHAT DOES OUR PRESENCE MAKE POSSIBLE FOR THE BENEFIT OF ALL?

*In order to make anything change, just create the space.  
That is not created by our actions but by our presence.*

Peter Senge, Global SoL Forum, 2014

BUDAPEST

BÖLCSKE, Saint Andras chateau

**SoL Hungary and Global SoL invites you to participate in  
Systemic dialogues for  
transformative action**

**EDUCATION - BUSINESS - COMMUNITY**

**24th May - 2nd June 2019, HUNGARY**

**Society for Organisational Learning, Hungary**

## PROGRAMS

We'll be weaving the threads of education leading to new Leadership, new Leadership leading to self-organizing community and organizational processes.

You are welcome to join in at any module.

### ***Healing Dialogues and Co-constellating for the Wholeness of Europe***

**2nd June 11 am - 6 pm, Budapest City**

Mindful Walking and dialogues and co-constellation through city sites with aware story-telling of European history related to *our understanding in the here and now* so that we may see and inquire into our sources of collective wounds that want to be healed, connections to be reconnected, emerging patterns to be understood. All these *ties that inhibit us* from embracing the wholeness of our society and our future of thriving with compassion.
